PERTINENT INFORMATION:

THE FOLLOWING EXCERPT IS QUOTED VERBATIM:

MERK, Kurt, Oberleutnant, Aliases KAISER.

With AST DIJON since the beginning of 1941. Previously was a 2nd Lt. with the X Bavarian Infantry Division. Spent three months at the Demarcation Line in the Moulins Permit Office. Through me he was introduced to oberstltz. EHINGER. He asked EHINGER for a position with the AST. MERK was principally engaged in work on Resistance Movements in France. He had great success; cleaned up (er rollte auf) the "Alliance" case; arrested the french colonel "Fay" and about 400 of his cohorts. This was the intelligence network of General GIRAUD). MERK had very good agents.

In the summer of 1944 he commanded FAT 383 and coordinated his Dienststelle in MUHLBACH with the MK's in ST DIE, GERARDMER, and GIROMAGNY. MERK was the most successful officer with AST DIJON and FAK 314.

Description: about 32 years old; 1.68m tall; slender but well proportioned (vollschlank); film startype; long, rich, black hair combed back; phlegmatic manner, obstinate; petticoat-chaser; very neatly dressed. His parents live in ANGEBERG. Single, engaged to the daughter of the late owner of the "Hotel Bahnhof" in St. Louis (Swiss border).

MERK has certainly left behind 2 or 3 groups of agents in France, in LYON-GRENOBLE, as well as in Dijon and in Belfort.

THIS IS ALL THE INFORMATION PERTINENT
TO THE SUBJECT IN THIS DOCUMENT.
